

THE AGE OF CHIVALRY

The Age of Chivalry
or Legends of King Arthur,
The Mabinogion, and the
Hero Myths of the English Race

by Thomas Bulfinch (1796-1867)

Thomas Bulfinch explains the his work is “an attempt tell the stories of mythology in such a manner as to make them a source of amusement. We have endeavored to tell them correctly, according to the ancient authorities, so that when the reader finds them referred to he may not be at a loss to recognize the reference. Thus we hope to teach mythology not as a study, but as a relaxation from study; to give our work the charm of a story-book, yet by means of it to impart a knowledge of an important branch of education.”
